

# BBA Fill-in policy

## SUB JUNIORS/JUNIORS

- **Less than 4 players:** Match forfeited.
- **4 players:** The coach may ask the opposition coach for a player from their team to make a 5 v 5 game, with the opposition coach to choose the player. The opposition coach may refuse, but if they do so then they may only field 4 players and the match will be played 4 v 4.
- **5 players:** The coach may ask the opposition coach for a fill-in player to allow for a sub. The opposition coach chooses the player. Opposition coach may also refuse. Coaches should use their two time-outs per half to manage fatigue.
- **6 players:** No additional fill-in players are permitted.

**Junior comp:** With the agreement of the opposition coach, the coach may invite a top-age Sub Junior player to fill in.

- No fill-ins permitted in any finals games for any reason.
